

## WE ARE YOUR EXPERTS

### Who We Are

For 20 years, Aviacode has been providing superior medical coding and coding audit services to:

- Healthcare Systems
- Hospitals
- Physician Groups
- Surgery Centers
- Imaging Centers
- Payers

### About Us

Our AHIMA or AAPC certified and experienced coding professionals thrive in our culture of urgency, transparency and accountability to deliver superior service. We have grown to be one of the top medical coding companies in the United States. We are experienced in:

- Facility Coding
- Pro-Fee Coding
- Risk Adjustment Coding
- Expertise in over 60+ medical specialties

“It is clear that Aviacode cares about the quality of their services and customers. Their executives do a good job of staying in touch with us. Also, their current coding manager seems to be very qualified. This person is very responsible.”

**-Director of HIM**  
Level I Trauma Hospital  
1,100+ Affiliated Physicians

# BENEFITS OF WORKING WITH US

Our commitment is to deliver the highest quality medical coding services available that enable our clients to thrive.

When you partner with Aviacode, you get not only coders and auditors working for you, but also QA, IT, implementation, coding staff, and production management. We provide actionable feedback to improve your operations. Our highly trained coders are experts in various chart types and specialties, including inpatient, outpatient, same-day surgery, E/M, multiple surgical specialties, emergency department, observation, ancillary, recurring, and diagnostic and interventional radiology in a number of EMR systems.
